To Whom it may concern,

We are in receipt of your letter dated March 7, 2018 and an attached complaint dated February 28, 2018. I respectfully ask for a 30 day extension to address the complaint. The reason for the request for extension is that we just received the complaint today and for family reasons we need the extra time to address the allegations.

The 30 day extension should give us the necessary time to answer the complaint.

Thank you very much for your understanding and please let us know if our extension is granted. Should you have further questions please do not hesitate to contact us by email or phone at

Sincerely,

Michael Strada and Kimberley Strada
